

# 5th Grade

## News

### WEEK OF 10/29

### READING MINUTES

## IMPORTANT DATES AHEAD!

- ★ Monday, November 5th, Reading Minutes (110)
- ★ Tuesday, November 6th, Math Chapter 3 Test
- ★ Wednesday, November 7th, Spelling Test and Hatchet Quiz on Chapters 1-4.
- ★ Thursday, November 8th, Simple Solutions Quiz
- ★ Friday, November 9th, Science Test on Cells
- ★ Thursday, November 15th, Thanksgiving Feast
- ★ NO HOT LUNCH OR BUS on November 19th and 20th

We finished our Eleventh week of school!

### HIP HIP HURRAY!

Spelling/Vocabulary: Students took their Unit 4 Spelling Test. We are having another week of Spelling. This unit uses our science cell organelles.

Writing: Students continue to work on their spooky stories. We have been using transition words to help our stories flow.

Reading: Students have begun to read Hatchet. We have been reading each chapter in class. The students have been working on vocabulary and comprehension questions with each chapter.

Math: Students have finished Chapter Three. Students will have their test on Tuesday. This test will focus on One-Digit Divisor. Students will also be using their multiplication skills from last chapter.

Science- We have started learning about Cells! Students took their quiz on the cells and their organelles.

Religion: Students finished their Saint Presentations. We were able to present half the class on Friday!

Reading Minutes for the month of November and December has increased. Students are expected to read 110 minutes a week instead of 90 minutes.

There will be no reading log assignments while we are reading Hatchet.

Please continue to sign your child's agenda for their minutes.

Happy reading!

Virtue of the Month:

## Generosity

*"Whoever is generous to the poor lends to the Lord, and he will repay him for his deed."*

Proverbs 19:11

As the weather continues to change, please ensure your child is coming to school appropriately dressed.

Donations! Any extra snacks for the class would be greatly appreciated!

I am encouraging students to continue to work on strengthening their math facts. They may work on MobyMax, Fact Fluency. There is also multiplication games that you may locate on my website underneath Links and Math HW.
