Simple Solutions Quiz
- ❖ Friday, December 14<sup>th</sup>,  
Science Quiz and  
Kindergarten Buddy Craft  
and Good For Grinch Drive  
Ends

We finished our Sixteenth week of school!

#### HIP HIP HOOYAY!

Spelling/Vocabulary: Knights of Columbus Spelling Bee is December 12<sup>th</sup>. We will take the next week to prepare for it in class.

Writing: Students have begun their very first research project. This project will be finished before Christmas break. We will work on introductions, and paragraph format.

Reading: Students continue to read Hatchet. We have been reading each chapter in class. The students have been working on vocabulary and comprehension questions with each chapter.

Math: Students continue to study Chapter 5. This chapter focusses on adding and subtracting decimals. Test is next week. We will then move on to multiplying decimals.

Science: We have begun our Skeletal System. Students took a quiz on the arm and hand bones.

Religion: Students took their Test on Unit 2. We will begin Unit 3, What is Baptism?

Scholastic Book Orders must be in by December 10<sup>th</sup>. This will ensure that our order arrives before Christmas Break.

You may go online and order using our class code.

QDCRN

Books are a wonderful gift for the holiday season. Books allow us to explore a world outside our own.

Virtue of the Month:

### Gratitude

*"You are my God, and I will give thanks to you; you are my God; I will extol you. This is the day that the Lord has made; let us rejoice and be glad in it."*

PSALM 118:28-29

Good For Grinch Drive is still going on. Students may bring in household goods to be donated to St. Vincent DePaul. Look on My Website for needed items.

I am encouraging students to continue to work on strengthening their math facts. They may work on MobyMax, Fact Fluency. There is also multiplication games that you may locate on my website underneath Links and Math HW.
