HIP HIP HOORAY!

Students are working hard this week!

Students took their first Spelling Test this week. Our 24 words were made up of the words we misspelled in our first Writing Essay. On Thursday, students received their very first Vocabulary packet. The test will be on Wednesday the 12th.

We recorded our first Reading Minutes on Tuesday. Students continue to read weekly and complete their log assignments. In class, we have been studying the concept of Compare and Contrast. We even learned about analogies. Students had a great opportunity to write their own!

In Math, we have been working on the Chromebooks as working on place value. On Friday, the students opened up their Math Workbooks! Our first chapter focusses on Place Value.

We sat with our Kindergarten Buddies again at Mass. We hope you join us next week when the Fifth Grade Class leads Mass on the 13th.

I am really looking forward to our first full week!

Virtue of the Month:

Patience

Be always humble, gentle, and patient. Show your love by being tolerant with one another.

(Ephesians 4:2)

"MADE FOR HAPPINESS will be an historic event in our diocese and it is my hope that it will inspire attendees to more deeply embrace their true identities as daughters and sons of God and, as a result, share the Gospel of Jesus Christ more freely and joyfully with those around them. Please join me, all the clergy and thousands of others from around our diocese for this defining moment in our Church!" - Bishop Boyea

It is completely FREE! On September 22nd!
