- ★ Tuesday, November 20th, NO HOT LUNCH OR BUS and Crafts with Third Grade
- ★ Happy Thanksgiving Break

We finished our Twelfth week of school!

### HIP HIP HURRAY!

Spelling/Vocabulary: We had two straight weeks of Spelling. Now students will be working on Vocabulary for Hatchet.

Writing: Students continue to work on their spooky stories. We have been using transition words to help our stories flow.

Reading: Students have begun to read Hatchet. We have been reading each chapter in class. The students have been working on vocabulary and comprehension questions with each chapter.

Math: Students took the Chapter 3 Test. The test will focus on One-Digit Divisor. We also looked at rounding decimals this week.

Science- Students took their Cell Organelle Test on Friday. We will be working on a Cell City project until Thanksgiving.

Religion: The students are working on Unit 2: What is a Sacrament? They learned about Passover and how sacraments are signs of God's Grace in our lives.

We are in need of volunteers for the Thanksgiving Feast. A sign up went home. If you would like to help, you must have completed virtue training and a background check with Mrs. Wildern.

If you have any questions about the training or background check, please contact the School Office. If you have questions for concerning the Thanksgiving Feast, please contact Parent Club.

Virtue of the Month:

## Generosity

"Whoever is generous to the poor lends to the Lord, and he will repay him for his deed."

Proverbs 19:11

As the weather continues to change, please ensure your child is coming to school appropriately dressed.

\*hats and gloves

I am encouraging students to continue to work on strengthening their math facts. They may work on MobyMax, Fact Fluency. There is also multiplication games that you may locate on my website underneath Links and Math HW.
